

THE MCGRATH GROUP PORTAL – TERMS AND CONDITIONS

1. The McGrath Group Portal ("Portal") allows registered Customers to download recycling reports specific to their company, download current licenses/accreditations and gain access to latest news.
2. Access to the Portal is provided only with an appropriate combination of a user name and password that complies with The McGrath Group policies (cumulatively, a "Password Combination"). Each Password Combination is specific to a Customer who agrees that no individuals shall provide their Password Combination to any other party. Further, the Customer agrees to be fully responsible for maintaining the confidentiality of the Password Combination and account information. The Customer agrees to immediately notify The McGrath Group of any unauthorised use of their account or any other breach of security. The McGrath Group will not be liable for any loss incurred as a result of someone using your Password Combination with or without your permission.
3. As the Portal is provided as a discretionary service to Customers, The McGrath Group may immediately issue a warning, temporarily suspend, indefinitely suspend or terminate any individual or Customer's access to the Portal at any time at its sole discretion.
4. The Portal and all materials, intangibles, code, look and feel, etc. related thereto is the intellectual property of The McGrath Group.
5. The Customer acknowledges that the charts and information depicted on the Portal may, from time to time, be incomplete or inaccurate.
6. Any personal information collected on the Portal will be treated in accordance with The McGrath Group Privacy Statement located at <http://mcgrathgroup.co.uk/privacy-policy/>
7. The McGrath Group has implemented security policies, controls and technical measures to protect the personal data that we have under our control in line with our Privacy Policy. However, should third parties access the Portal, The McGrath Group will not be liable for any damages or loss arising out of or resulting from any unauthorised access to, alteration to or modification of information contained on the Portal.
