

COVID SECURE GUIDELINE VERIFICATION STATEMENT

NQA CERTIFICATION LIMITED

Declares to have verified that the organisational site defined below, has undertaken COVID-19 risk assessment(s) in keeping with the guidance provided by the current version(s) of HM Government Industry Specific Guidance and that the required risk assessment, supporting documentation and physical controls were confirmed to be in place.

McGrath Bros. (Waste Control) Limited

McGrath House, 62 River Road, Barking , Essex IG11 0DS

Has been verified in accordance with:

Construction and other outdoor work
Factories, plants and warehouses

Date of Verification: 25th September 2020

By signing this declaration, the Verifier declares that:

- The verification assessment conducted on the date referenced above independently verified that all appropriate controls required in the above named guidance had been met
- The outcome of the verification confirmed that there was no evidence of non-compliance with applicable HM Government guidelines, as published on <https://www.gov.uk/guidance/working-safely-during-coronavirus-covid-19>, outstanding on the date of the issuance of this statement
- The risk assessment(s), supporting documentation and physical controls observed provide reliable and credible evidence of a defined process to implement safe working practices to protect against the transmission of COVID-19.
